The Fast Pass Program in Airports Nationwide

Stop wasting time in airport security. Join Clear today and receive 13 months for the price of a 12-month membership.

Bring the CLEAR kiosk to your office.

If your company has 40 or more travelers enrolling, we will arrange an enrollment kiosk to come to your office to do the biometric scans onsite.

Avoid the hassle of airport security with Clear, the fast pass program in airports nationwide. You'll be pre-screened for security and provided with a special card that will allow you to pass through the security checkpoint faster, with more predictability and less hassle.

- No more worrying about unpredictably long lines.
- Enjoy a designated security lane with special benefits.
- Let our concierges and attendants help you as you go through the lane.
- Use your card at all participating airports at no additional cost.*
