

## Travel-On Presents:

### ***Control T&E Costs with Automated Expense Management Webinar***

Date: **Wednesday, June 23, 2010**

Time: **11:00 AM - 12:00 PM EST**

For many companies still without an automated expense reporting management system, selecting and implementing one is a major goal for 2010. Automating expense management simplifies the reimbursement for everyone, reducing labor costs, improving control, and generating cost savings. Studies show that companies can realize as much as a 60% reduction in labor costs by converting to an automated expense management solution.

Please join us for an informative Webinar to showcase ExpenseWire, one of the industry's leading automated expense reporting systems, which integrates seamlessly with Rearden Personal Assistant, Travel-On's our online travel booking and profile management tool.

See for yourself how to:

- Create and submit an expense report in less than 5 minutes
- Communicate and enforce corporate T&E policies without any human intervention
- Drive online adoption by incorporating a powerful expense management tool into your travel program
